Getting Started
Add the hoopla skill to Alexa. This can be done from your home computer OR mobile device.

• From a home computer:
• Log in to your Amazon account
• Select Alexa Skills from the drop down menu next the Search bar
• Search for hoopla Digital
• Choose Enable Skill
• From a mobile device:
• Download the Alexa app from the App Store (iOS devices) or Google Play Store (Android devices)
• Select Skills & Games from the menu
• Search for hoopla Digital

Commands
Requests to Alexa must start like this: "Alexa, ask hoopla . . ." so that Alexa will know to get the information from hoopla, and not from Amazon. Here is a list of commands you can use. . .

• Alexa, ask hoopla how many items I can borrow.
• Alexa, ask hoopla how many items I currently have borrowed.
• Alexa, ask hoopla for my library's phone number.
• Alexa, ask hoopla to list all the titles I have borrowed.
• Alexa, ask hoopla to list my music.
• Alexa, ask hoopla to list the music I currently have borrowed.
• Alexa, ask hoopla to play my music.
• Alexa, ask hoopla to list my audiobooks
• Alexa, ask hoopla to list the audiobooks I currently have borrowed.
• Alexa, ask hoopla to play my audiobooks.
